Celebrating life with dogs, is what Dog Lovers Wine Club does best! The winery was created specifically to support non-profit animal shelters and rescues, like the SPCA Tampa Bay. The SPCA has served our area for more than 65 years. They provide services to more than 16,000 homeless and abandoned animals every year. They rely on community help to continue their mission..

Now through January 15th, anyone who signs up for a wine club membership at www.dogloverswineclub.com will receive their **first wine shipment FOR JUST \$2**. So, treat yourself, family and friends to a “toast” with man’s best friend and help the SPCA at the same time!

Here’s how the wine club works:

Go online at www.dogloverswineclub.com to receive your “**2 Buck Mutt**” discount. You can choose to receive wine shipments monthly, bi-monthly or quarterly. Each month, the wine is accompanied by inspirational stories of families and their lives with dogs. The wine labels are illustrated from selected photos (and stories) received from dog lovers across the country. The wine shipments also include tips about dogs, tasting notes about the featured wine, the source of the grapes and recommended food pairings.

How it helps the SPCA Tampa Bay:

The SPCA Tampa Bay will receive a portion of the proceeds from your purchase. Before you make you purchase at www.dogloverswineclub.com go to the affiliates tab at the top of the Dog Lovers Wine Club home page. From there, click on the left where it says “Bark Partners Listings.” Then, you can set “SPCA Tampa Bay” as your group. Then, every time you make a purchase, it will help support the SPCA Tampa Bay.
