

MOMS Club® of Riverview, FL

ACTIVITIES

Kids Klub

Join us once a month for structured, age-appropriate activities, story time, playtime, and lunch. This also serves as our General Meeting.

Pool Day

A fun day in the sun with the kids.

Moms Night Out (MNO)

A chance for dad to get quality time with the kids and mom to get a chance to relax and socialize.

Field Trips

Visits to fun local sites, like the library, grocery stores, aquarium, zoo, fire house, and many more!

Park Day

Spend some quality time in the park with the kids.

PLAYGROUPS

Playgroups are an essential part of every MOMS Club group.

They provide a great opportunity to form friendships for mothers and children. Children are grouped with other children of similar ages and Mommies agree to meet once a week for fun!

SERVICE

Our goal is to involve the children in charitable acts. It is important that as parents we teach our young children to have empathy for others and teach them about doing good deeds for those less fortunate. Some of the events we have already planned are:

- *Visiting a nearby retirement home on a regular basis,
- *Collecting blankets and towels for local animal hospitals and shelters,
- *Recycling drives,
- *Canned food drives,
- *Collecting clothing and household goods for a local church.

Moms also volunteer to participate in our Helping Hands program. Reaching out to help families in our group during times of happiness, like births of new babies, and in times of grief or hardship.

MOMS Club Statement
The MOMS (Moms Offering
Moms Support) Club® is a non-
profit organization aimed at
providing support for mothers who
stay at home to raise their
children. Our goals include
providing a forum for topics of
interest to women, giving mothers
more of a voice in the community,
having fun with our children, and
performing service projects,
especially those benefiting
children.
